

Fielding DSP GmbH

Fabian Renn-Giles

- Contractor, consultant and speaker
- >20 years of professional experience in the audio software/hardware industry
- Former lead developer of C++ JUCE audio framework

"Your level of professionalism and incredible talent has really allowed us to react faster, than we ever expected, to the commercial opportunities ahead of us. Thanks to you, we are moving forward with amazing business opportunities that we can engage in without fear of total code disaster!"

- Matt Boerum (CEO Audible Reality Inc.)
